Treasure Map

You need:  
Paper  
Pencils  
Something  
to hide

Hide an object inside or outside and make a map to help someone else find it!

- 1.Hide an object.
- 2.Draw your route from your starting point to where you've hidden your treasure.
- 3.Use your imagination! A sofa can become a mountain, stones are lava spots, bushes are sleeping giants. This is YOUR adventure!
- 4.When it's as bright and colour as you can make it give it to someone else and see if they can find your treasure.

Make a  
bug hotel

You will need:  
A plastic bottle  
Sticks, stones, leaves

Insects like small, dark places to curl up in. Raid your garden for sticks, stones and leaves or find things on your walk to make a luxury hotel for creepy crawlies!

1. Cut the top off your plastic bottle at the widest part. This gives you the basis for your bug hotel.
2. Layer in all the sticks, stones and leaves you've found in your garden. Have a think about what insects you might want to attract and where they'd like to live.
3. When your hotel is as full as you can make it, place it in your garden or outside your home. It could go in a tree or under a rock, wherever you want!

You will need:  
An empty toilet roll  
Paint  
Paper  
Paint brush

1. Paint your paper black and leave to dry.
2. Take your toilet roll and cut from the base halfway up the tube. Do this around the tube.
3. When your black paint is dry dip the ends of your toilet roll in to a mix of paint colours and dab on to the paper. As you push down on to the paper the toilet roll will fan out and create a firework shape.
4. Repeat all over the page!
